NOTE: You will get a message once a year that your library card has "**expired**" and that you won't be able to access NCDL. This just means that you need to contact the library and update your contact information with us. Once you do that, you will have full access again.

Step 5: Browse and borrow from over 300,000 book, music, and movie titles!

Just the facts...

There's no wait to borrow popular audiobooks, ebooks, comics, or music albums. AND you can checkout up to **3 items** each month.

Tips: If it's at the end of the day, you may get a message about reaching the "daily lending limit". You would just need to checkout the next day. Also, if it's near the end of a month, you might want to add titles to your **Favorites** list so you can start with a full month worth of checkouts.

How does it work?

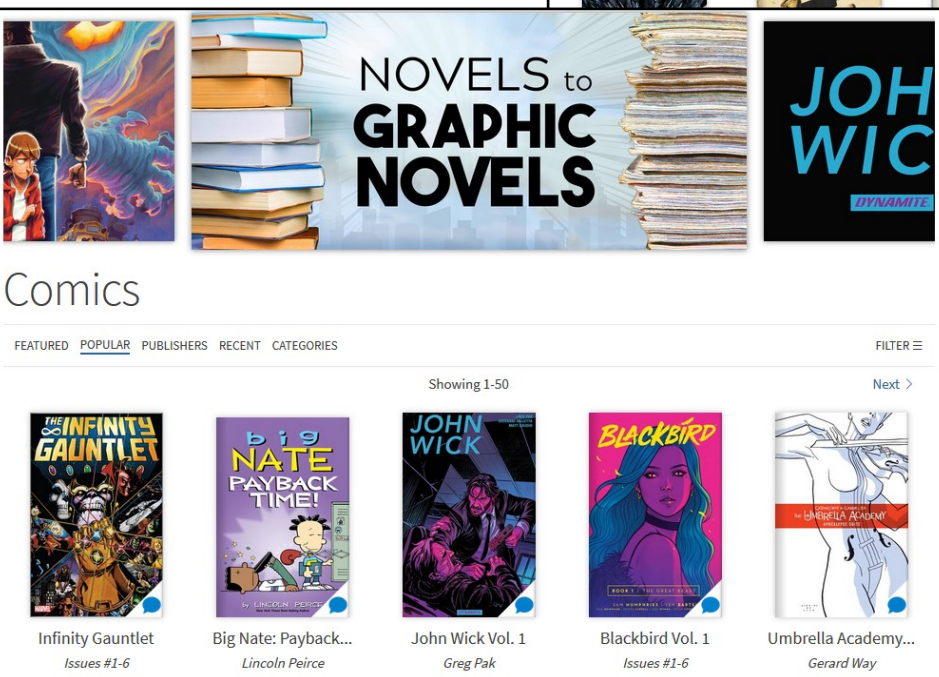

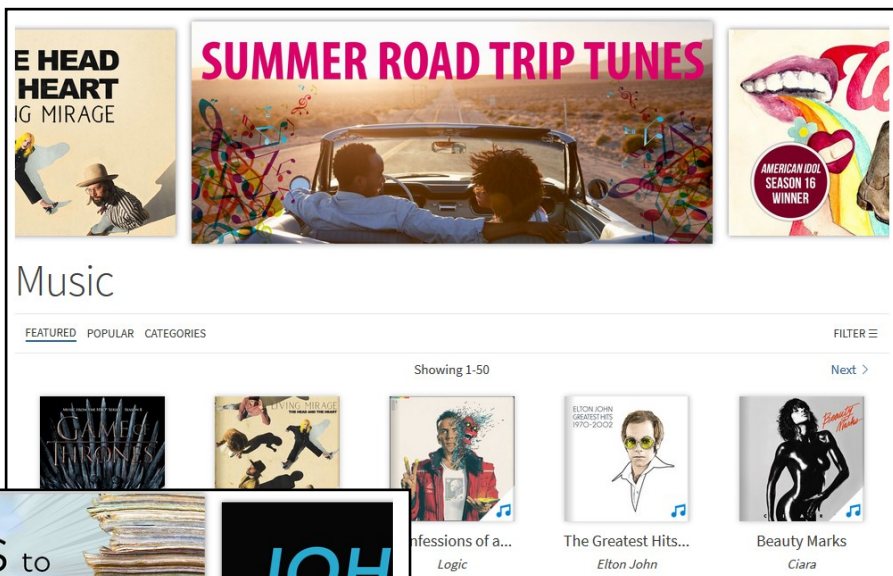

Audiobooks, eBooks and Comics: keep for **21 Days**

Music albums: keep for **7 Days**

To search, choose from one of the categories or type a title, person or series in the search box on the screen.

You can then view the list of titles and **FILTER** the list to narrow down your choices. You can also browse one of the featured lists scrolling at the top of the screen.

Once you've found a title you want, hover over the cover, click **BORROW**, and you can begin enjoying the title right away.

The titles are automatically returned at the end of the period, so you don't have to worry about any late fees. You can also return them early.

You can stream these titles on your mobile device or they can be **temporarily** downloaded to many Apple or Android devices.

Here are the most popular compatible devices:

iOS devices (iPad, iPhone) running **iOS 10.3.3 and above**

Android devices (Samsung, LG tablets and phones, etc.) running **Android 4.4 (Kit Kat) and above**
