### HIGH POINT TRANSIT RESUMES MODIFIED SERVICE

**High Point, N.C. (June 15, 2020)** – The High Point Transit System has resumed modified service. Service will be hourly all day from 5:45 a.m. until 6:15 p.m. Route 21 – Industrial Park Special and Route 25 – Jamestown/GTCC will not have any service, and Route 10 – N Main St and Route 11 – South Main St will operate on Saturday patterns. The Guaranteed Ride Home service will not operate.

Passengers needing transportation to or from areas where service is reduced can call 336.889.7433 for assistance. The number of passengers in vans will be limited to allow for social distancing. Please make sure to account for this in your travel time, as wait times may be longer.

Service will remain fare-free. Passengers are required to wear facial coverings while riding buses and waiting inside transit facilities. High Point Transit is still providing a disposable mask for passengers who do not have a face-covering.

*The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America.
